Oak Lane has many beautiful trees. Many people moved here because of the tree shaded streets.

But some of the trees are old and die and are cut down.

We wanted to replace these trees and keep Oak Lane green. We formed Oak Lane Tree Tenders in 1996 to plant and care for trees, learn about trees with our neighbors and children and get to know and appreciate each other in the process. We've planted 236 trees. Learn more about Tree Tenders at www.pennsylvaniahorticulturalsociety.org/

Join us on April 8, 2006 to help plant 50 trees. 8:30 am to noon. Meet at Oak Lane Presbyterian Church, 11th and Oak Lane. Lunch and T shirt provided!
